MIL-STD-810H Certified

MIL-STD-810H

- Supports Android 14 for the latest key industrial apps, streamlining tasks for greater efficiency and speed
- 6.5" HD Touchscreen, large enough for multiple apps and readable in sunlight, supports wet fingers/glove operation
- Engineered to meet IP68 and MIL-STD-810H standards, ideal for professionals operating in the most rigorous environments.
- 48MP HD rear camera captures clear pictures and stable live videos in the field and transmits them to the command center in real-time for collaboration
- A large 5000mAh battery provides all-day power, eliminating the need to search for a charger at critical moments.
- Dedicated PTT button and guaranteed flow of information all the time, even in the most critical circumstances.
